

Supplies to Bring To School for Your Child

Dear Parents,

Please bring the following items to school in a 6 qt. shoe box container to keep at school. They will use these items as needed so please check your child's cubby daily and make sure he/she has clean extra clothes.

2 shirts 2 pants
2 pairs of underwear 2 pairs of socks

Please bring separately:

1 Blanket and 1 fitted crib sheet for nap time (To be taken home every Friday and brought back on Monday). If your child is ½ day, you do not need to bring sheet and blanket
1 Container of Wipes 1 Box of Kleenex

** If your child is potty training, please bring a full pack of pull ups with Velcro sides. This helps us be able to change them without totally undressing them every time we take them potty.
